Forecast for Friday 23 Jul 2021

Weather: Another sunny and warm day. Most likely dry with just an outside chance of an isolated heavy shower in the afternoon. Possibly some low cloud spreading in from the coast in the evening.

Chance of cloud free mountain/hill tops above 700m: 90%, perhaps some patchy low cloud in the evening for eastern ranges.

Visibility: Generally good or very good but around dawn there may be patchy or scattered low cloud from 600ft for more eastern hills. This will clear readily during the morning but may reform during the evening. Otherwise it may be hazy at times.
